**Sheds, greenhouses, polytunnels, trees and chickens. Please remember you need to discuss your plan with Mr. Edmund Faria for permission to be granted.**

**Shed security. Important, do not leave fuel inside your shed to avoid the risk of arson!**

**Site Security and personal safety. Please ensure the gates are locked. Let Edmund and Phil know if there is a problem with the padlock.**

**Straight edges to your plot please. A cordless strimmer can be very useful to keep it tidy. Do not chop into the path to make sure it is wide enough for a mower!**

**No Carpets are allowed at Elder Stubbs!**

**Bonfires: October – end March. Tuesday afternoons and first weekend of every month**

**You need to have your plot number on your plot. You can buy a green metal plate to paint on your number from Phil or Edmund, or make your own.**
